

**STATEMENT BY CORINO MACCHINE SPA  
ABOUT THE "CORONAVIRUS" OUTBREAK**

**As to the emergency situation caused by the COVID-2019 epidemic all over the world, Corino Machine SPA would like to point out that:**

- **The company's normal functioning is fully guaranteed** at the moment. Production never stopped and all regular activities are carried on with no particular issue. Also our supply chain, mainly located in our area has not been affected and is working fully regularly.
- **The company is located** in an area which is **quite far** from those hit by the virus and in our province there are no cases so far.
- **Internally**, the company has **already implemented a significant number of measures** aimed at minimizing the risk: employees were promptly informed about the situation and they must comply to a series of specific behaviours, based on guidelines given by national Health Institute (Istituto Superiore di Sanità).
- **The company is** actively monitoring the situation and is **operating jointly with all involved institutions/players**, public and private. The company will strictly comply to the decisions and measures taken by national and local authorities (Health Ministry, Piedmont Region etc).
- **The company is fully aware of the situation and understands its seriousness**, but at the same time would like **not to overdramatize its effects**, that at the moment are nonexistent on the company and its activities.
- **The company is facing and will face this emergency** in a serious and conscientious manner, **fully compliant with the highest safety standards**, as it has always done over more than 37 years of activity.
